

CITY OF OSSEO

The 2018 City of Osseo Real Estate and/or Personal Property Tax bill(s) have been mailed. A minimum payment of the “first installment” is due on or before **January 31st, 2019** to your local treasurer.

If you are mailing your payment, please send to: **City of Osseo Treasurer, P O Box 308, Osseo, WI 54758**. If a return receipt is requested, a pre-addressed stamped envelope must be included with your payment.

If you owned this property **AND** it was your primary residence as of January 01, 2018, a Lottery Credit of \$186.79 should appear on your bill. If you qualify for this credit and it does not appear, a “2018 Lottery and Gaming Credit Application” must be completed and returned to your local treasurer. These forms are available at city hall or online at www.revenue.wi.gov/DORForms/18lc . Once we receive the completed application, we will manually deduct this credit at the time of payment.

If your escrow check is less than the amount of your taxes, endorse the escrow check over to the city and include a personal check/cash for the balance. If your check is more, we will deposit the entire amount and issue a refund check on the Friday following your payment.

We also accept online payments through GovPayNet. There is a non-refundable service fee based on the amount of the transaction. To make an electronic payment with any major credit card and view the service fee schedule, go to www.govpaynow.com and use Pay Location Code 4676.
