

The City of Osseo has received many phone calls regarding the availability of the blue garbage bags from Advanced Disposal. We have been told that Advanced Disposal has discontinued selling ALL bags due to safety concerns for their employees. If you have bags, they will continue to pick them up until they are gone. At that time, you will need to contact them or another hauler to see what your options are.

We currently have four (4) licensed garbage haulers in the City:

- Advanced Disposal (715) 839-9553
- Tri-City Sanitation (715) 538-2311
- E-S Sanitation (715) 533-0483
- Waste Management (888) 960-0008

If you need any further information, please feel free to contact city hall (715) 597-2207.
